Credits deriving from supernumerary exams (i.e. "extra credits") are excluded from the totals shown above. Credits earned by passing single exams in Integrated Courses of several modules and any resulting marks that are not officially registered in the student's online record are not considered valid.

*** = If all exams of the first semester have been passed by the end of the winter exam session, and as long as the credits amount to no less than 20, students can request the early payment of the scholarship sum (payment upon request of the student). However to keep the scholarship amount the student then must earn by August 10th the minimum number of credits shown in this attachment.**
