

DISBURSEMENT OF THE CASH PORTION OF THE SCHOLARSHIP

In order to receive the scholarship cash payment, it is necessary for the beneficiary student to log into his “STUDENT’S ONLINE SERVICES” area on the EDiSU website and:

1. **enter the IBAN code and other bank account information (the specific “IBAN” section can be found in your personal area).**
2. **confirm that he is NOT a recipient of any other Scholarship** that is incompatible with the one issued by EDiSU Pavia as defined in Article 12 below. This confirmation, made in the specific section “**Statement for collection of scholarship**”, has the value of a substitute statement made in accordance with Articles 46 and 47 of DPCM 445/2000.

Only after both of the above steps have been completed, the student will be able to receive the monetary share of the scholarship.

The student has until December 31 of the relevant academic year to complete the aforementioned obligations; after that date, the student's right to collect the awarded scholarship expires.

Example: I am beneficiary in the 2025/2026 a.y., I must complete the formalities by 31/12/26.

IMPORTANT

- **The IBAN code must refer to a bank account in THE NAME OF THE STUDENT (or at most in the name of the student and another person). Otherwise, EDiSU will not proceed with the payment of the benefit due.**
- Since some credit cards or current accounts have capacity limits, the student will have to carefully check whether the IBAN communicated to EDiSU allows the amount of the Scholarship due to be credited.

Example: If a student who wins a Scholarship of € 4,200.00 is in possession of a prepaid card that only allows credits of a maximum amount of € 2,500.00, the transfer cannot be made.
