SELECTION CALL FOR THE IDENTIFICATION OF UNIVERSITY OF PAVIA OFF-SITE STUDENTS ELIGIBLE FOR A CONTRIBUTION TOWARDS HOUSING RENTAL COSTS FOR THE YEAR 2025 – MUR FUNDS L. 178/2020 art. 1, paragraph 526-527 and Legislative Decree 7 April 2025 converted with Law 5 June 2025, n. 79.

Having regard to Article 1, paragraphs 526 and 527 of Law No. 178 of 30 December 2020, as amended by Legislative Decree No. 79 of 7 April 2025 – converted by Law No. 79 of 5 June 2025 – Article 1, paragraph 580 of Law No. 197 of 29 December 2022, having regard to MUR Decree No. 630 of 10 September 2025 and Ministerial Note No. 167964 of 12/09/2025, EDiSU Pavia, acting on behalf of the University of Pavia, announces the selection specified below.

1. OBJECT OF THE CALL

This call is aimed at identifying off-site students enrolled for the 2024/2025 academic year at the University of Pavia, in possession of certain merit requirements, and belonging to families with an equivalent economic situation index valid for the right to university study (ISEEU) not exceeding 20.000 euros, to which a contribution should be allocated for the housing rental costs incurred for the year 2025 for university purposes and not already users of public housing contributions.

The economic resources identified to finance this intervention derive from the fund of the Ministry of University and Research (MUR).

This call is based on MUR Decree no. 630 of September 10, 2025, implementing current legislation, which is currently being registered. It should be noted, as expressly highlighted in the ministerial note of September 12, 2025, that *“the completion of the entire procedure is subject to the issuance of a visa by the supervisory bodies, that any failure to register makes it impossible to follow up on the procedure, and that, in such a case, the student's eligibility for the procedure announced by the University does not give rise to any claim to the benefit”*.

2. RECIPIENTS – PARTICIPATION REQUIREMENTS

Students admitted to the benefit referred to in Article 1 are:

1. **off-site students enrolled at the University of Pavia during the 2024/2025 academic year;**
2. **residents in a different place than the one where the property rented for university studies is located;**
3. **holders of a regular rental agreement during 2025** (for the property referred to in the previous point) **duly registered with the Revenue Agency;**
4. **with ISEE for the right to university study (ISEEU) or an equal ISEE** (for students with income and assets abroad) **not exceeding 20.000.00 euros.** ISEE with annotations,

omissions, or discrepancies detected by the INPS/Tax Agency will not be considered valid. Current ISEE will be considered valid.

5. in possession of the following merit requirements:

- a) they have been enrolled at the University to which they belong for a number of academic years less than, or equal to, the normal duration of the course of study, increased by one;
 - b) in the case of enrollment in the second academic year, they have obtained, by the date of August 10 of the first year, at least 10 CFU;
 - c) in the case of enrollment in academic years following the second year, they have obtained, in the twelve months preceding the date of August 10th preceding the relevant enrollment, at least 25 CFU.
 - d) not be enrolled, more than once, in the first year of a university course of the same level.
- I requisiti di cui alle lettere a), b), c) non sono richiesti per gli studenti con riconoscimento di handicap ai sensi dell'art. 3, commi 1 e 3, della legge 5 febbraio 1992, n. 104, o con invalidità pari o superiore al 66%.

6. not beneficiaries of other public contributions for housing rental costs for university studies during 2025, generally also meaning subsidies paid in the form of housing services, not just as an economic contribution. The scholarship as “off-site student” awarded by EDiSU Pavia for the 2024/2025 academic year cannot therefore be combined with the said intervention. Students who have received an extraordinary subsidy from EDiSU for the 2024/2025 academic year are admitted, given its extraordinary nature. For students already receiving the 2025 rental grant, funded by resources made available by the University of Pavia, the ministerial grant for 2025 rental expenses is incompatible within the limits of competition of what has already been received and funded by University funds earmarked for this purpose.

3. HOW TO PARTICIPATE IN THE SELECTION

Students recipients of the intervention must submit a request to be admitted to the distribution of the resources made available by the MUR only by completing a specific online application “APPLICATION FOR THE 2025 RENTAL CONTRIBUTION FOR OFF-SITE STUDENTS – MUR FUNDS” available within the EDiSU “Online Student Services” reserved area (accessible from the institution's website www.edisu.pv.it) **until 7 OCTOBER 2025, 11:59 pm.**

To complete the application, in addition to the data relating to enrollment at the University of Pavia for the 2024/2025 academic year, the student must:

- (per gli studenti con redditi e patrimoni in Italia o in Italia e all'estero) dichiarare il valore dell'ISEE **per il diritto allo studio universitario** presente nella sua Attestazione ISEE 2025 (o ISEE 2024, se non già disponibile l'Attestazione ISEE 2025) valida per il diritto allo studio universitario indicando inoltre il numero di protocollo INPS–ISEE in esso riportato. Per tutti gli studenti è possibile fare riferimento all'ISEE corrente in corso di validità. Non verranno presi in considerazione ISEE non validi per il diritto allo studio universitario o ISEE con annotazioni.

Delivery must take place at the Economic Benefits Office counter at Via Calatafimi 11, Pavia, or by shipping to the office address (EDiSU via Sant'Ennodio, 26 – 27100 Pavia) with delivery by the tender deadline. The responsibility for delivering such documentation in the terms provided for in the notice is borne by the student. Failure to submit the requested documentation in the original shall result in exclusion from the selection.
- Provide **the data of the rental contract(s)** for the rented property registered in the name of the student (or his family member present in the ISEE certificate) for the year 2025 and the details of the related registration with the Revenue Agency;
- Attach as an electronic document (single PDF file) **a copy of the rental agreement and its registration (for the year 2025) to the Revenue Agency**. Students whose applications lack, totally or partially, the required data, documentation or from which it is not possible to ascertain the participation requirements, will not be admitted to the selection.

EVALUATION OF THE FINANCIAL STATUS OF STUDENTS WITH INCOME AND ASSETS OVERSEAS

Foreign students with the family unit residing abroad and Italian students residing abroad who have not already requested from EDiSU Pavia/the University of Pavia benefits relating to the right to university education for the academic year 2024/2025 (presenting suitable documentation for the calculation of the equivalent ISEE referring to income and assets for the year 2023), must submit original hard copy documents, in order to allow EDiSU to calculate their ISEE equivalent, stating officially that:

- the composition of the family unit, including the student, other family members and any person officially residing with the family unit (indicating date of birth and the nature of the relationship);
- the gross income received abroad in 2024, or an unemployment statement referring to 2024, for each adult member of the family unit;
- the number of any buildings owned abroad by each adult member of the family unit as of December 31st 2024, including surface measurement in square meters, or a document stating that no member of the family unit owns no property;
- the amount of any movable assets (bank balance, shares, bonds...) owned by each adult member of the family unit as of December 31st, 2024 (bank statement of December 2024 with the indication of the balance and possible documentation of financial investments dated to December 2024).

The abovementioned documents must be issued by competent Authorities in the country in which the income was made and in which any buildings and financial assets are owned, legalised¹¹ by the Italian Diplomatic Authorities acting in that country, together with an Italian translation certified by the same Authorities.

For countries that are members of the Hague Convention of October 5th, 1961, authentication can be performed by using an apostille.

For those countries (ascertained by EDiSU Pavia / University of Pavia) where it is particularly difficult to have documents certified by a local Italian Embassy, as an alternative an original certification of income and assets owned can be submitted, in the Italian language, by the diplomatic or consular representation in Italy of the foreign country.

The certification issued by the diplomatic or consular representation in Italy must be legalised¹² by Prefecture in accordance with art. 33 of Presidential Decree no. 445 dated December 28th, 2000, and must expressly refer to the documents originally issued in the country of origin and must include:

- the composition of the family unit, including the student, other family members and any person officially residing with the family unit (indicating date of birth and the nature of the relationship);
- the gross income received abroad in 2024, or an unemployment statement referring to 2024, for each adult member of the family unit;
- the number of any buildings owned abroad by each adult member of the family unit as of December 31st 2024, including surface measurement in square meters, or a document stating that no member of the family unit owns no property;
- the amount of any movable assets (bank balance, shares, bonds...) owned by each adult member of the family unit as of December 31st, 2024 (bank statement of December 2024 with the indication of the balance and possible documentation of financial investments dated to December 2024).
