APPLICATION OF THE PROPORTIONAL CRITERION: *In the event that the organization of the courses foresees that the student can achieve, in the a.y. 2024/2025, a number of credits that's less than 60, the merit requirements set out in the chart are redefined in proportion to the credits actually achievable.*

Credits deriving from supernumerary exams are excluded from the totals shown above.

In case of exams consisting in several modules, the credits deriving from individual modules that aren't officially registered in the student's online Booklet will not be considered valid.

Credits gained as a result of transfer/course change, renewal of enrolment in a course year already attended or credits gained from single courses taken in the previous academic year are excluded from the totals shown above.
