

## Scholarship disbursal

**Students benefiting from a scholarship in order to receive payment of the sum provided by said scholarship, must follow the procedure below** (via their personal area in the “ONLINE STUDENT SERVICES” section of the EDiSU website):

- 1. insert online their IBAN code** and other data relative to their bank account (the specific “IBAN” section can be found in the “USER PROFILE/PROFILO UTENTE”)
- 2. confirm online that they are NOT benefiting from other scholarships that are incompatible with the one awarded by EDiSU.** This confirmation, given in the specific section called INCOMPATIBILITY STATEMENT (*IMPEGNO DI RISCOSSIONE BORSA DI STUDIO*) in the USER PROFILE, holds the status of a substitute statement made pursuant to art. 46 and 47 of the Prime Minister’s Decree 445/2000.

**Only after having completed both steps described will students be able to receive payment of their scholarship.**

**N.B. if you are a student enrolled in the first year of your course, you must earn the minimum number of credits stated in the Call for application.**

Students have time until December 31<sup>st</sup> to complete the aforementioned steps; after this deadline the assigned benefit is lost.

### **a) For students enrolled in the first year of their course**

The second instalment, which corresponds to the sum in money provided by the scholarship, will be disbursed when and if the student will have earned no later than August 10<sup>th</sup> the number of credits stated in Attachment B of the Call for Applications and, along with this, fulfilled the requirements stated in the previous paragraph.

### **b) For students enrolled in years subsequent to the first year of all courses:**

The second instalment, which corresponds to the sum in money provided by the scholarship, will be disbursed as soon as the scholarship beneficiary fulfils the requirements stated in the previous paragraph.

### **IMPORTANT NOTE**

**The IBAN account holder's must be the STUDENT (who can be the holder or co-holder). Otherwise, Edisu will not proceed with the payment of the sum provided by the scholarship.**

Since some cards or bank accounts have maximum limits, students will have to check carefully if the IBAN given to EDiSU allows for the deposit of the Scholarship sum.

Example: *If a student awarded a Scholarship worth € 4.200,00 has a prepaid card that allows for deposits of up to € 2.500,00, the bank transfer cannot take place.*
