

Collegio Lorenzo Valla

Università di Pavia

MISSION

The mission of Collegio Lorenzo Valla is to offer accommodation to “capable and deserving students without means [allowing them] to attain the highest level of education” art. 34 of Italian Constitution. Admission to the College is via individual competition. The call for entry to the colleges is available on the website (<http://www.edisu.pv.it>).

TEACHING

Collegio Lorenzo Valla hosts some teaching activity for two Master's Degrees of the University of Pavia:

- II Level Master in “Nutraceutical Products: Design, Formulation Development, Control and Marketing”
- II Level Master in “Regulatory Affairs – G. Benzi”.

In addition the College offers to his students tutorial activities in Mathematics and other basic subject, carried out primarily by Ph.D. Students and Fellows. English courses are also offered.

PARTICIPATION

Collegio Lorenzo Valla encourages its students to be active participants of the life and management in the College. Every year students elect a College Committee of four students.

Life in the College is organized into sport teams and cultural/social clubs, each one having its own president and list of events. Nowadays we are running the following activities in our College: football teams (men and women), basketball teams (men and women), volleyball teams (men and women), dragon boat team, table tennis club, billiards club, chess club, cineforum club, Scottish dances club, Valla Dance Sport Club, College Magazine Club (IlVallino).

FACULTY

The Faculty is composed of some Professors of the University of Pavia who organize educational and cultural activities with our College students. Member of the Faculty are: the Rector of the College, Prof. Stefano Perlini (Medicine), Prof. Stefano Denicolai (Management) and Prof. Guglielmino Cajani (History of Classic).

FACILITIES

College students live in single and double rooms, with access to kitchens and bathrooms, which are both shared with members of the same floor. Single room's furniture include a bed, a wardrobe, a desk and a bookcase. The College has a Library/Conference room (with a maximum capacity of 80 people), a large study room, a breakfast room, a laundry, two small seminar rooms, two rooms for individual (or small group) study, a computer room, a TV room, a music room, a large gym (basketball/volleyball court), a small gym (for personal exercise) and two tennis courts with a red-clay surface.

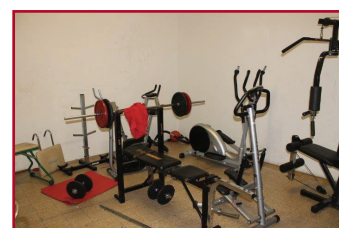

Rooms are cleaned daily and bed sheets are changed weekly.

THE Valla CHOIR

The College is home to the activities of “Corale Valla” and LV Gospel Project. Corale Valla, founded in 1987 by college students, is mainly focused on Gospel Music and has achieved great success and awards producing also a large number of records. Nowadays LV Gospel Project is parted from the traditional Corale Valla, which is proposed to College students.

THE Camerata de 'Bardi

The College is home to the activities of Camerata de' Bardi, a music orchestra founded in 1989 by College students passionate about music. Overtime Camerata de' Bardi has become the official "Academic Orchestra of the University of Pavia". It currently includes 30 musicians, mainly students and alumni of the University of Pavia, who typically come from music schools and demonstrate an individual prestigious musical curriculum.

Requests for information on availability and costs may be sent to the College Office.
